Dear Sir:

I would like to take this opportunity to personally thank you for having Special Agent Howard Teten appear at the training seminar for the California Homicide Investigators Association in Sacramento on March 14, 1974.

There were 365 members that attended the two-day seminar. Mr. Teten did an excellent job and presented an informative lecture on "Psychology of Death" that I am sure was of great value to each and everyone of our members.

We have had several requests from our members to have Mr. Teten appear again at our next training seminar in March of 1975.

Mr. Teten is certainly an asset to your Bureau and an agent that you must certainly be proud of. He has a message that I believe every homicide investigator in the country should hear.

Again, I would like to thank you for allowing Mr. Teten to come out to California and be a part of our conference.

Sincerely,

Robbie Waters
